

Team Action Plan: Putting training into practice

Team: _____

Team members: _____

Plan Start Date: _____

What specific issues related to teamwork did the team hope to address by playing the game?

What did we learn about improving our performance that we can implement quickly?

The game concentrated on 4 main themes: Introducing teamwork, Vision & Objectives, Communication & Trust and Innovation & Change. Which of these should be explored in more detail and why?

How will we explore and improve in on our chosen areas? (examples: play the game again, attend other training, access further resources, spend more time talking as a team etc.)
